an outside view

This exterior features an overall snow white base complimented with Atlantic blue and red accent stripes. Jet Aviation – Zurich completed this exterior in February of 2006.

looking on the inside

This 2+8 (including belted potty) interior features a center club configuration with seats covered in top-grain beige leather. Color coordinated motif throughout this classy interior include a champagne headliner in soft-touch birch mohair, cut pile pecan carpet (baggage carpet is a sand color), heather cream-colored window reveals, wood veneer cabinetry, bronze mirrored forward side of aft divider and gold plated polished hardware. Additional amenities include swivel passenger seats, dual executive tables, a left-hand forward refreshment center, a CD stereo system with headset jacks, seven speakers for seven seats, dual navigation chart cases, an aft Flitefone installation at cabin seat #4, and an aft flushing potty.

Jet Aviation, Zurich completed this interior in February of 2006.
